RE: CRAIG SHRIVER — *WORTHY OF SPECIAL RECOGNITION*

Dear Mr. Carroll:

I want to take this opportunity to give special recognition to one of your employees — Craig Shriver. It is not often that I would take time to single out one individual for special recognition, but in this case there is no doubt in my mind that you have an employee worthy of such an honor.

Craig Shriver's performance is outstanding in every respect. The expectation for most employees functioning in Craig's role would be simply that they get the job done in a reasonable period of time without complaints and then go about their business. ***Craig is definitely the exception.*** Not only does he accomplish the task at hand, he goes above and beyond any expectations one would have for someone doing his job. He is always friendly and pleasant; he goes out of his way to be helpful; and he makes sure he has gathered up all the material destined for shredding, checking with the various employees throughout the office instead of just sitting back and waiting for everyone to come to him.

In summary, Mr. Carroll, you have an exceptional employee in Craig Shriver, and we wanted to call attention to that fact. We sincerely appreciate our working relationship with him and your firm, and look forward to continuing that relationship in the future.

Very truly yours,
